## ANNUAL REPORT OF THE CHICHESTER VOLUNTEER FIRE DEPARTMENT

In submitting the annual report for the Volunteer Fire Department I will first give the fire statistics for 1973. By comparison to the 10 calls for assistance in 1972, the Fire Department responded to 32 calls in 1973. This is a large increase over last year and should alert everyone to the ever present danger of fire. The following calls for assistance were recorded:

- 12 mutual aid
- 8 structural
- 5 brush
- 4 car
- 3 chimney

We are now being presented with a new danger of fire, resulting from the increased use of wood burning fires as caused by the shortage of fuel oil. Many people are now using wood stoves, never before having had any experience with them, and are installing and using them improperly. Already, we are experiencing fires caused by dangerous installations. The Fire Department is available to anyone wishing information on installation of wood stoves and proper connection to chimneys.

This year, I am asking for a slight increase in our operating budget, due to the price increases of fuel and other items. Also, some new equipment is needed. We have accepted about a dozen new members this year, of which most are young men and show favorable interest in becoming good firefighters. It should be noted that to equip a man with his gear, coat, boots, and helmet costs about \$100.00 and to supply a radio receiver for his home costs \$110.00. This, plus regular replacement of equipment constitutes the Department's budget.

For two years the Fire Department has tried to have the Town raise and appropriate enough money to purchase a new tank truck, but has twice been defeated, the

last time by only one vote. I hope that this year the voters will approve our request and vote the appropriation. The cost of the apparatus increases 5% annually, thus we have already lost about \$1500.00 which had been set aside for the new truck. The need for a new tank truck has already been well presented, and I hope that the voters will support our request.

Finally, I would like to point out that we are more frequently called to the assistance of other towns as the area has grown. In return, we have made greater use of the mutual aid systems, resulting in saving several local dwellings. I feel the accomplishments of the volunteer firemen this past year should be commended for their performance in protecting life and property in our community.

Chichester Volunteer Fire Department

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

### LIBRARIAN'S REPORT

The year 1973 has been another successful year for the library with the help of The Friends of the Library and the Trustees.

On March 29, I became librarian at the request of the Trustees. Since I had no formal library training, it was decided that a course offered by the University of New Hampshire would be pursued in the summer months. Due to illness last summer, it was impossible, but if the course is offered in 1974, we will take advantage of it.

5,622 books were in circulation last year. During the year 147 new books were purchased to add to the permanent collection in our library. There were several anonymous gifts as well as gifts of books from the N. H. Masons, Kay Shaw, Dr. Gloor, Nancy Boyd, and Mrs. Doris Lake in memory of her husband, Kenneth. For the ninth year, Mrs. Ruth Blackburn Coskey made a most generous gift of money. Several new books were purchased from this fund.

The Friends of the Library held a kite flying contest in June and the Trustees' held one in October. Jane Coons graciously offered her home on Garvin Hill for both contests. Proceeds from the kite flying contests were added to the library building fund.

We have continued cooperating with the school, serving as liaison, taking books to the school upon request, and ordering books from the State Library and Book-mobile.

All the book shelves and the floor were painted, and books were rearranged to make more room for newer additions this past year.

We are hoping that 1974 will be another successful year with the continued help of all those interested in seeing their town library grow and expand.

A special thank you, to Mrs. John Varney, who again has opened her home as a branch library. 644 books were borrowed through the branch during 1973.

## REPORT OF THE CHICHESTER SCHOOL BOARD 1973-74

We all realize that there have been changes in our school personnel this year. The school board was sorry to learn that Mrs. Hill and Mrs. Tuttle, after many years of dedicated service to our students and community, were to retire last June. Mrs. Metcalf also asked to resign, for personal reasons, which meant the loss of another experienced teacher. It is difficult to fill positions left open by competent personnel. The board filled the fourth-fifth grade assignment with an experienced teacher Mrs. Sue Williams. The grade one position was filled by a first year teacher Miss Kathy Corkum. The seventh-eight grade math science position was extremely difficult to fill. There were very few qualified candidates available. The position is now filled with a first year teacher, Mr. James Fifty. It is our sincere hope that students and parents will find these teachers helpful, understanding and competent. Also, Mr. James Brown who served as a custodian for more than four years retired in August. This position was also difficult to fill. The board has hired Mr. Nelson Perron, who as Mr. Brown has interest in the maintenance of our building.

The State Board of Education has placed Chichester in a smaller Supervisory Union which will be made up of Pembroke, Allenstown, Deerfield, Epsom, and Chichester and will take effect July 1, 1974. Mr. Gerald Croteau our present assistant superintendent will be superintendent of the smaller Union which still will be Supervisory Union number fifty-three. The board feels that Mr. Croteau will give us the needed assistance we have been looking for.

Many contributions were given to the Irene Ricker Memorial fund. A decision made by Irene's family and the board was to purchase a set of book shelves for the library and also to establish a fund so that an annual

monetary award can be given to a graduating girl and boy each and every year.

Many new homes are being built in town which means the school enrollment is likely to increase. We presently have a large fifth grade and at this time it is split between two teachers. We have room to split one more grade which would take away the room presently used for learning abilities, music, art, and extra curricular activities. The board realized an addition means, more tax dollars and that every year our present facilities are adequate will give us time to pay on our present mortgage. We must realize that the facilities in our school are now being used pretty much to their capacity.

### Special Projects

#### Title I

A learning abilities program was offered to a selected group of primary students, who it was felt could benefit from a concentrated effort to overcome difficulties in areas of visual and auditory perception and gross and fine motor coordination.

#### Dental Program

Again a program was offered which provides for free dental cleaning, examination and fluoride treatment for Chichester students with the New Hampshire Technical Institute in Concord.

#### Enrichment Program

A PTA sponsored program was given on six Friday afternoons during the winter, where the children could

select one of several areas of interest to receive special instruction. Skiing, square-dancing, drama, art, leather craft, knitting, weight lifting and snowmobiles were several subjects offered.

In June both Mrs. Sarah Hill and Mrs. Lillian Tuttle retired after many years of teaching. Many students in Chichester in recent years have gained from the experience and instruction of these excellent teachers.

In closing, I would like to thank the people who helped on the enrichment program and also the ladies who volunteered and helped in the school library.

Respectfully submitted,

RICHARD T. FOWLER

Principal

## SUPERINTENDENT'S REPORT

In this my last year as an administrator in Supervisory Union No. 53, I wish to thank the many people who have contributed to the educational endeavor in the community.

These past four years have been somewhat difficult with the change over in personnel. Four Superintendents, a Business manager and office staff have moved in and out of the District during this period of time.

Within the framework of our operation, we have been able to adapt to each varying circumstance and have seen the slow but steady growth of a unified organizational system take hold.

Not only has the educational programs in the communities been more fully developed, but the financial organization, structure and accounting have been brought more up to date with current business practices.

Our recruiting practice for both certified and non-certified personnel is by far, one of the best within the state. In 1973-74, more than 200 applicants were interviewed for approximately 30 positions.

Still many areas need to be updated and reviewed and with a fine and capable administrator in Mr. Croteau, as your Superintendent for 1974-75 School Year, I'm sure these other problems will be solved.

At this time I would like to thank the members of the Chichester School Board for the assistance they offered to the children of their community and to myself for their gracious support.

Respectfully submitted,

DAVID R. CAWLEY

Superintendent
